"Your time with us is about more than preparing for a degree at a Russell Group university. It's an experience. And where better than Belfast?

We're here to support your academic success and help you make the most of your time in this buzzing capital city."

Liam O'Hagan
Centre Director, INTO Queen's University Belfast

SHAPING FUTURE-READY **GRADUATES**

Brilliant leaders. Inspiring thinkers. Incredible pioneers. Queens' high-achieving graduates have been shaping a better world since 1845.

Follow in their footsteps with the help of the Queen's Careers Team. Their services will help boost your CV, your skills and your employability. How far will you go?

"I owe my academic and professional success to Queen's. A combination of both hospital and community placements were provided each year. Under the supervision of qualified senior pharmacists, we were able to shadow their daily routine and partake in their practices. I felt fully prepared and confident when I graduated."

Ali, Kuwait
Pharmacist at Jaber Al Ahmad Hospital
International Foundation
MPharm Pharmacy

1st in the Russell Group for graduate employment*

Queen's graduates have gone on to work for global companies, many of which are based in Belfast:

ACCENTURE	KPMG
AIRBUS UK	PETRONAS
BOMBARDIER	PWC
DELOITTE	RANDOX
GOOGLE	UNILEVER

* Queen's has the highest percentage of graduates within the Russell Group who are in employment and/or further study, and the lowest percentage of graduates within the Russell Group who are unemployed (HESA Graduate Outcomes 2020/21).

IT'S THE BEST DECISION I HAVE MADE IN MY LIFE.

"I wanted to study engineering at Queen's because it's a Russell Group university and it would be really good on my CV. After researching, I found that Queen's engineering alumni went on to work at big companies like Aston Martin and Rolls Royce, where I ended up getting a placement. It's the best decision I have made in my life."

Hassan, Pakistan
International Year One
BEng (Hons) Mechanical Engineering

ENHANCING YOUR POTENTIAL

Your employability matters at Queen's.

A wide range of opportunities will help you develop future-ready skills.

You'll benefit from:

- personalised careers guidance
- Future Skills Award
- professionally accredited degrees
- placement and internship opportunities
- industry links with local, national and global companies
- free advice, incubation space and enterprise programmes for entrepreneurs
- early career network and career management platform, MyFuture
- Careers Fairs, employer panels and industry workshops.

"My time spent at INTO Queen's really built my confidence and prepared me for university. The structure of my degree at Queen's gave me the opportunity to study a placement year in Hong Kong. This is something that I think really made me stand out from other candidates when applying for jobs. I got a good job in London quickly after graduating."

Vicky, Hong Kong
Actuarial Consultant at RNA Analytics Ltd
International Foundation
BSc (Hons) Actuarial Science

STUDYING AT QUEEN'S

Stand out with a world-class Queen's education. You'll be taught by the best. Ground-breaking research informs degrees here, making your learning relevant. Highly ranked across many subject areas, you'll have a choice of over 200 degrees.

BUSINESS MANAGEMENT AND FINANCE

Join the AMBA and EQUIS-accredited Queen's Business School.

- Degrees in areas including accounting, actuarial science, economics, finance, international business, marketing and risk management.
- 1st in the UK for Graduate Prospects for Accounting and Finance[1].
- Accredited degrees, providing the first step towards chartered status.
- Dedicated Placement Office, arranging placements and consulting projects at companies including Aviva, Citi, EY and KPMG.
- Masterclasses with international industry experts.
- Prizes and awards from leading companies for top-performing students.

Facilities include:

- brand-new, state-of-the-art building with 250-seat tiered lecture theatre, 150-seat computer lab, interactive E-Learning suite and new FinTrU Financial Trading Room with 26 Bloomberg terminals
- Queen's Student Managed Fund – a real-money investment portfolio
- software such as Matlab, RStudio and Stata, and databases including Bloomberg and Thomson One Banker.

ENGINEERING AND TECHNOLOGY

Develop the skills you need to graduate into thriving engineering and tech industries.

- Huge range of specialisms, from aerospace to civil, and mechanical to computing and more.
- World top 150 for Engineering[2].
- The Russell Group's only combined School of Chemistry and Chemical Engineering.
- Industry placements at companies such as BP Chemicals, GSK, Jaguar Land Rover, Pfizer and Shell.

Facilities include:

- £14 million Computer Science Building with cybersecurity suite and four Innovation Labs: Virtual Reality Lab, QLab Makerspace, Lego Smart City Lab and the Learning Lab
- Merlin Excalibur II flight simulator and flight test laboratory
- automotive test cells, catalyst laboratories and emissions analysers
- Baxter humanoid robot platform and 5-axis robot for robotic assembly.

LIFE SCIENCES

Help work towards a healthier population, informed by cutting-edge research.

- Choose from degrees including Biomedical Science, Clinical Health Psychology, Food Science and Food Security, Midwifery Sciences, and Pharmacy.
- World top 40 for Pharmacy and Pharmacology[3].
- 3rd in the UK for Food Science[1].
- World top 100 for Nursing[3].
- Practical training for your future through placement opportunities with NGOs and in healthcare settings.

Facilities include:

- specialist biomedical sciences and medical libraries
- Pharmacy Practice Unit with fully stocked dispensing workstations and industry-leading dispensing software
- microbiology, ecology, cell culture and parasitology labs
- state-of-the-art Simulation Centre providing simulated training for the next generation of healthcare professionals.

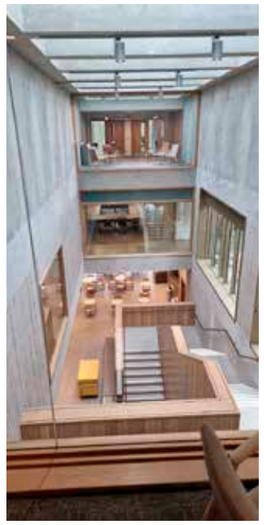
4 Compared with average Russell Group fees (Reddin Survey 2021). Based on completion of BEng (Hons) Engineering with International Year One or International Year One plus 3 years of degree study, and securing INTO and progression scholarships of £8,500.

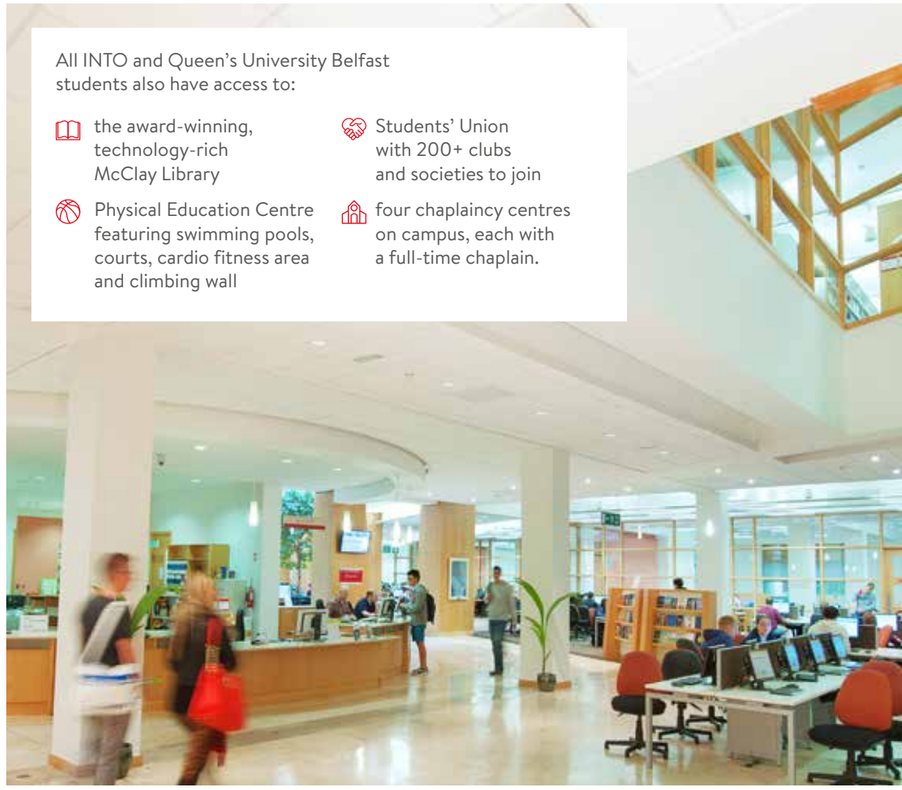
Save up to £42,500 – Russell Group's best value engineering education

Make your finances go further. Study an undergraduate degree with International Year One and you could save up to £42,500 over the course of your studies.[4] You'll graduate with an engineering or computer science degree in just three years, on a single visa. Accessible entry requirements mean you can study at a Russell Group university with confidence.



All INTO and Queen's University Belfast students also have access to:

- the award-winning, technology-rich McClay Library
- Students' Union with 200+ clubs and societies to join
- Physical Education Centre featuring swimming pools, courts, cardio fitness area and climbing wall
- four chaplaincy centres on campus, each with a full-time chaplain.



99%
of Queen's research environment is world-leading or internationally excellent

(Research Excellence Framework 2021)

LIFE ON CAMPUS

An inspiring location to learn. A stunning place to live. Queen's is one of the UK's top 10 most beautiful historic universities*.

You'll find the INTO Centre close to everything on campus, from the library to the Students' Union – so you'll be immersed in university life from day one.

INVESTING IN YOUR STUDY EXPERIENCE

A **£700 million investment** in facilities is underway, developing the campus into an innovative learning environment.

There's a **brand-new student centre** – One Elmwood – on campus. This vibrant hub brings together the Students' Union and student services, so everything you need is in one place.

95%
of students agree that the INTO Centre made them feel welcome

(INTO Annual Student Experience Survey 2023)

* QS Top Universities blog 2021

INTO CENTRE FACILITIES

Modern classrooms with the latest technology.

Learning Resource Centre, with academic books, journals and workstations.

Lots of spaces for group work and quiet study.

Café Carberry, serving drinks and snacks with halal and vegetarian options.

ALWAYS HERE TO SUPPORT YOU

A warm welcome from our friendly Student Services team awaits you.

Just some of the ways you'll be supported include:

- help opening a bank account and registering with a doctor
- workshops for help with renewing or extending your visa
- day trips, celebrations and an orientation programme
- a 24-hour emergency telephone number, just in case you need us
- one-on-one progression support, progression events and open days.

QAA Reviewed
Quality Assurance Agency for Higher Education

"The inclusive academic and pastoral support provided by INTO Queen's enhances the quality of the student learning experience."

(QAA report 2023)

"I can't even express in words how welcomed I feel because they make me feel like I'm part of a family. Everyone cares about your wellbeing and that's really heart-warming."

Bisola, Nigeria
Student Ambassador
International Foundation
BSc (Hons) Biomedical Sciences

FEEL RIGHT AT **HOME**

£

OVER £300 PER MONTH CHEAPER FOR STUDENTS TO LIVE IN BELFAST COMPARED TO LONDON

(Which? Student Budget Calculator 2022)

Living in university accommodation close to campus is a great opportunity to experience student life to the full. It's even better when you know you're staying somewhere safe, comfortable and affordable.

Which student residence will you choose?

ELMS BT1, BT2 AND BT9

- extra support from Residential Assistants for students under 18
- guaranteed accommodation for your first year of study when you progress to your degree.

WELCOME TO BELFAST

Friendly, fun, affordable. Belfast is the ideal student city. Northern Ireland's cosmopolitan capital may be compact, but it packs a lot in. Here you'll find a lively social life, a growing food scene, natural beauty and tons of history.

Easy and safe to explore, Belfast is a city that truly welcomes you.

ONE OF THE UK AND IRELAND'S MOST **VIBRANT** AND **AFFORDABLE** CITIES, PACKED WITH ENERGY, CULTURE AND HISTORY

(The Complete University Guide 2024)

EXPERIENCE BELFAST

As the city with the UK's lowest cost of living*, you'll have more money to spend on enjoying everything that Belfast has to offer, including:

- **Queen's Quarter** – Belfast's most vibrant district, with everything from cultural events and international festivals to world cuisine and vintage shops.
- **Cathedral Quarter** – bustling cobblestone streets home to live music, theatres, clubs, comedy and modern street art.
- **Botanic Gardens** – a beautiful city park, perfect for relaxing or studying outdoors.
- **Titanic Belfast museum** – the world's largest Titanic exhibition dedicated to the famous 'unsinkable' ship.

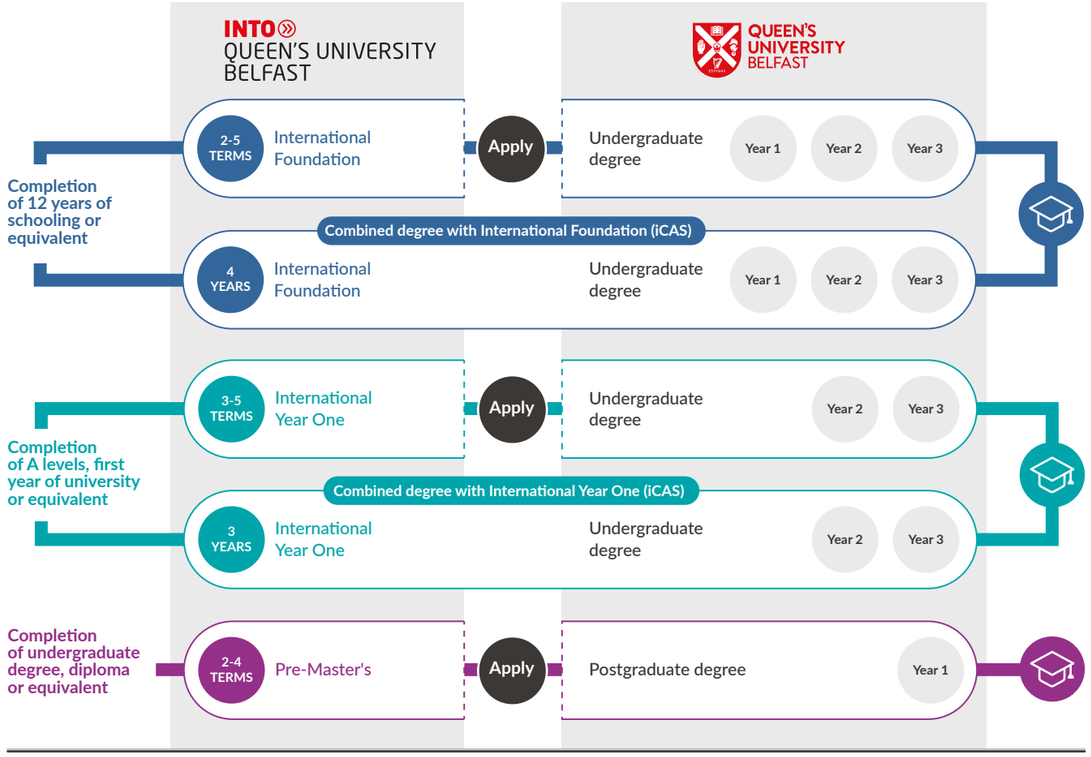
Hear their story

Choosing your course

Prepare for your university degree with our academic courses, available in a range of subject pathways. Designed in partnership with Queen's University Belfast, this is what your study journey could look like.

Academic courses



English language courses

Improve your English level fast with tailored, personalised support.

Academic English

- An immersive course with small class sizes that will give you rapid progress of 0.5 to 1.0 IELTS point per term.
- More than language learning – develop the academic skills needed for successful UK study.
- Flexible start dates from January to October and study lengths from 1 to 4 terms to suit your individual needs.

For more information, visit:
intostudy.com/queens/ae

Pre-sessional English

- For Queen's University Belfast offer holders. Improve your English language skills to the level required for your degree in a 4, 6 or 10-week course. Start dates in June and July.

For more information, visit:
intostudy.com/queens/pse

International Foundation

Don't meet the English requirements? Choose from a standalone Academic English course or combine English with an academic study plan to improve your IELTS score fast.

16 years and above

3-term: Sep or Jan
4-term: Jun or Sep
5-term: Jun or Mar

3-term: IELTS 5.0 (with a minimum of 5.0 in writing and 4.5 in all other subskills) or equivalent.
4-term: IELTS 4.5 (with a minimum of 4.5 in writing and 4.0 in all other subskills) or equivalent.
5-term: IELTS 4.0 (with a minimum of 4.0 in all subskills) or equivalent

Improve your subject knowledge and English language skills to the level required to progress to Year 1 of an undergraduate degree at Queen's University Belfast.

Architecture – IFPA

Choose from **3 degrees.**

Guarantee your place at a UK top 10* architecture school. This programme leads to a fully accredited degree, giving you the opportunity to collaborate with leading architects on real-world projects and graduate as a qualified architect. A portfolio isn't required as part of the application process.

What will I study?

You'll study all of these core modules:
English Language and Study Skills (30 credits)
Practical Skills for Art Portfolio (30 credits)
Principles of Architectural Design and Practice (30 credits)

Plus one of the following modules:
Foundation Mathematics (30 credits)
Foundation Politics and International Relations (30 credits)

You'll need to earn 120 credits from all module options.

2-term: Apr
3-term: Sep or Jan
4-term: Jun or Sep
5-term: Jun or Mar

2-term: IELTS 6.0 (with a minimum of 5.5 in all subskills) or equivalent
3-term: IELTS 5.0 (with a minimum of 5.0 in writing and 4.5 in all other subskills) or equivalent.
4-term: IELTS 4.5 (with a minimum of 4.5 in writing and 4.0 in all other subskills) or equivalent.
5-term: IELTS 4.0 (with a minimum of 4.0 in all subskills) or equivalent

Business, Humanities and Social Sciences– IFPBHSS

Choose from **35+ degrees.**

Prepare for a degree in a range of accounting, economics, humanities, social sciences and law-related subjects. Interactive field trips, such as visits to the Law Courts and Northern Ireland Assembly in Belfast, will enhance your learning.

What will I study?

You'll study one core module:
English Language and Study Skills (30 credits)

Plus three of the following modules:
Foundation Business Studies (30 credits)
Foundation Economics (30 credits)
Foundation Mathematics (30 credits)
Foundation Politics and International Relations (30 credits)
Further Mathematics (30 credits)

You'll need to earn 120 credits from all module options.

2-term: Apr
3-term: Sep or Jan
4-term: Jun or Sep
5-term: Jun or Mar

2-term: IELTS 6.0 (with a minimum of 5.5 in all subskills) or equivalent.
3-term: IELTS 5.0 (with a minimum of 5.0 in writing and 4.5 in all other subskills) or equivalent.
4-term: IELTS 4.5 (with a minimum of 4.5 in writing and 4.0 in all other subskills) or equivalent.
5-term: IELTS 4.0 (with a minimum of 4.0 in all subskills) or equivalent

Science and Engineering – IFPSE

Choose from **100+ degrees.**

Study one of two streams depending on your progression degree: Engineering and Physical Sciences, or Health and Life Sciences. Benefit from practical learning in the university's fully equipped science labs.

What will I study?

You'll study all of these core modules:
English Language and Study Skills (30 credits)
Foundation Mathematics for Engineering and Science (30 credits)

Plus two of the following modules:
Foundation Biology (30 credits)
Foundation Chemistry (30 credits)
Foundation Physics (30 credits)
Further Mathematics (30 credits)

You'll need to earn 120 credits from all module options.

English requirements

International Year One

Improve your subject knowledge and English language skills to the level required to progress to Year 2 of an undergraduate degree at Queen's University Belfast.

16 years and above

3-term: Sep or Jan
4-term: Jun or Sep
5-term: Jun or Mar

3-term: IELTS 5.5 (with a minimum of 5.5 in reading and writing and 5.0 in all other subskills) or equivalent.
4-term: IIELTS 5.0 (with a minimum of 5.0 in reading and writing and 4.5 in all other subskills) or equivalent.
5-term: IELTS 4.5 (with a minimum of 4.5 in all other subskills) or equivalent.

Accounting – IYOA

Choose from **2 degrees.**

Develop the skills you need to join the globally renowned Queen's Business School. Learn how to use specialist accounting software and gain experience analysing statistics and writing detailed financial reports.

What will I study?

You'll study all of these core modules:
Accounting Information Systems (10 credits)
English Language and Study Skills (20 credits)
Introduction to Financial Accounting (20 credits)
Introduction to Legal Studies and Basic Contract Law (20 credits)
Introduction to Management Accounting (20 credits)
Principles of Economics (20 credits)
Statistical Methods for Business (10 credits)

You'll need to earn 120 credits from all module options.

3-term: Sep or Jan
4-term: Jun or Sep
5-term: Jun or Mar

3-term: IELTS 5.5 (with a minimum of 5.5 in reading and writing and 5.0 in all other subskills) or equivalent.
4-term: IIELTS 5.0 (with a minimum of 5.0 in reading and writing and 4.5 in all other subskills) or equivalent.
5-term: IELTS 4.5 (with a minimum of 4.5 in all other subskills) or equivalent.

Engineering – IYOE

Choose from **35 degrees.**

Choose from six specialist sub-pathways, leading to a degree at a university ranked top 150 in the world for Engineering*. Learn from PhD level subject lecturers while gaining hands-on experience through laboratory work.

What will I study?

You'll study all of these core modules:
Engineering Mathematics 1 (10 credits)
Engineering Mathematics 2 (10 credits)
English Language and Study Skills (20 credits)

Plus eight specialist modules for:
Aerospace Engineering, Chemical Engineering, Civil Engineering, Electrical and Electronic Engineering, Computer Science and Mechanical Engineering

You'll need to earn 120 credits from all module options.

3-term: Sep or Jan
4-term: Jun or Sep
5-term: Jun or Mar

3-term: IELTS 5.5 (with a minimum of 5.5 in reading and writing and 5.0 in all other subskills) or equivalent.
4-term: IIELTS 5.0 (with a minimum of 5.0 in reading and writing and 4.5 in all other subskills) or equivalent.
5-term: IELTS 4.5 (with a minimum of 4.5 in all other subskills) or equivalent.

Management and Finance – IYOMF

Choose from **5 degrees.**

Secure your place on an accredited or professionally recognised finance-related degree. Learn to analyse case studies and discuss current economic affairs as well as develop key skills in business reporting.

What will I study?

You'll study all of these core modules:
English Language and Study Skills (20 credits)
Introduction to Financial Management and Accounting (20 credits)
Principles of Economics (20 credits)
Statistical Methods for Business (10 credits)

Plus a choice of specialist modules:
Financial Institute and Markets (20 credits)
Management and Organisation: Theory and Practice (20 credits)
Marketing (10 credits)
Mathematics for Finance (20 credits)
Price Theory (10 credits)
The Business Environment (20 credits)

You'll need to earn 120 credits from all module options.

English requirements

Once you've successfully completed your International Year One programme, we'll help choose your Queen's University Belfast degree. Depending on your pathway, you could study one of 40+ degrees, including:

Degree	Pathway(s)	Specific requirements	English level
Accounting BSc (Hons)	IYOA	50% overall average in academic modules. A minimum of 50% in Mathematics for Statistics and Business, Introduction to Financial Accounting, Introduction to Management Accounting, and Introduction to Legal Study and Basic Contract Law	Grade B with a minimum of Grade D in each component
Aerospace Engineering BEng (Hons)† P	IYOE	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Aerospace Engineering MEng (Hons) P	IYOE	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Business Economics BSc (Hons)	IYOMF	50% overall average in academic modules. A minimum of 50% in Management and Organisation: Theory and Practice, Principles of Economics, and The Business Environment, and passes in all other modules	Grade B with a minimum of grade D in each component
Business Management BSc (Hons) P	IYOMF	50% overall average in academic modules. A minimum of 50% in Management and Organisation: Theory and Practice, Principles of Economics, and The Business Environment, and passes in all other modules	Grade B with a minimum of grade D in each component
Chemical Engineering BEng (Hons)† P	IYOE	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Chemical Engineering MEng (Hons) P	IYOE	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Civil Engineering BEng (Hons)† P	IYOE	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Civil Engineering MEng (Hons) P	IYOE	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Computer Engineering BEng (Hons)	IYOE	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Computer Engineering MEng (Hons) P	IYOE	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Computer Science BSc (Hons)† P	IYOE	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Computer Science MEng (Hons) P	IYOE	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Computing and Information Technology including Professional Experience BSc (Hons)	IYOE	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Economics and Accounting BSc (Hons)	IYOA	50% overall average in academic modules. A minimum of 50% in Mathematics for Statistics and Business, Introduction to Financial Accounting, Introduction to Management Accounting, and Introduction to Legal Study and Basic Contract Law	Grade B with a minimum of Grade D in each component
Economics BSc (Hons)	IYOMF	50% overall average in academic modules. A minimum of 50% in Principles of Economics; Financial Institutions and Markets; and Mathematics for Finance and Economics, and passes in all other modules	Grade B with a minimum of grade D in each component
Economics with Finance BSc (Hons)	IYOMF	50% overall average in academic modules. A minimum of 50% in Principles of Economics; Financial Institutions and Markets; and Mathematics for Finance and Economics, and passes in all other modules	Grade B with a minimum of grade D in each component
Electrical and Electronic Engineering BEng (Hons)† P	IYOE	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Electrical and Electronic Engineering MEng (Hons) P	IYOE	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Environmental and Civil Engineering MEng (Hons)	IYOE	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Finance BSc (Hons) P	IYOMF	50% overall average in academic modules. A minimum of 55% in Financial Institutions and Markets, 50% in Principles of Economics and Mathematics for Finance and Economics, and passes in all other modules.	Grade B with a minimum of grade D in each component
Mechanical Engineering BEng (Hons)† P	IYOE	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Mechanical Engineering MEng (Hons) P	IYOE	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Software Engineering BEng (Hons) P	IYOE	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Software Engineering MEng (Hons) P	IYOE	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Structural Engineering with Architecture MEng (Hons)	IYOE	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component

P Degree option with a work placement also available

* Based on INTO Queen's University Belfast students who graduated 2021–22

** Compared with average Russell Group fees (Reddin Survey 2021). Based on completion of BEng (Hons) Engineering with International Year One or International Year One plus 3 years of degree study, and securing INTO and progression scholarships of £8,500.

Pre-Master's

Don't meet the English requirements? Choose from a standalone Academic English course or combine English with an academic study plan to improve your IELTS score fast.

Improve your subject knowledge and English language skills to the level you need to study a postgraduate degree at Queen's University Belfast.

18 years and above

3-term: Sep or Jan
4-term: Jun or Sep

3-term: IELTS 5.5 (with a minimum of 5.5 in all subskills) or equivalent.
4-term: IELTS 5.0 (with a minimum of 5.0 in all subskills) or equivalent.

Please note that in addition to the UKVI IELTS, INTO is able to accept other English language qualifications. For more information on accepted qualifications please see: **intostudy.com/selt-alternatives**

Finance – PMPF

Choose from **6 degrees.**

Get ready to study at Queen's Business School – ranked 9th in the UK for Accounting and Finance*. Study real-world case studies from the international business environment and learn through interactive field trips to local industry.

What will I study?

You'll study all of these core modules:
Accounting for Financial Management (20 credits)
English Language Study Skills (40 credits)
Financial and Economic Strategy (20 credits)
Financial Econometrics (20 credits)
Financial Market Theory and Investment Analysis (20 credits)

You'll need to earn 120 credits from all module options.

2-term: Mar
3-term: Sep or Jan
4-term: Jun or Sep

2-term: IELTS 6.0 (with a minimum of 5.5 in all subskills) or equivalent.
3-term: IELTS 5.5 (with a minimum of 5.5 in all subskills) or equivalent.
4-term: IELTS 5.0 (with a minimum of 5.0 in all subskills) or equivalent.

Please note that in addition to the UKVI IELTS, INTO is able to accept other English language qualifications. For more information on accepted qualifications please see: **intostudy.com/selt-alternatives**

Management – PMPM

Choose from **10 degrees.**

Progress to a career-led degree including international business, management or marketing. Analyse and interpret practices of global business such as Apple and Google in preparation for your degree.

What will I study?

You'll study all of these core modules:
Business in an International Context (20 credits)
Business Management – Environment, Theory and Practice (20 credits)
Empirical Enquiry and Critical Thought (20 credits)
English Language Study Skills (40 credits)
Exploring Culture (20 credits)

You'll need to earn 120 credits from all module options.

2-term: Mar
3-term: Sep or Jan
4-term: Jun or Sep

2-term: IELTS 6.0 (with a minimum of 5.5 in all subskills) or equivalent.
3-term: IELTS 5.5 (with a minimum of 5.5 in all subskills) or equivalent.
4-term: IELTS 5.0 (with a minimum of 5.0 in all subskills) or equivalent.

Please note that in addition to the UKVI IELTS, INTO is able to accept other English language qualifications. For more information on accepted qualifications please see: **intostudy.com/selt-alternatives**

Social Sciences – PMPSS

Choose from **23 degrees.**

This programme leads to a range of degrees in subjects such as psychology, education and law – which is ranked 10th in the UK*. Gain access to the latest developments in your subject by attending guest lectures at the university.

What will I study?

You'll study all of these core modules:
Empirical Enquiry and Critical Thought (20 credits)
English Language Study Skills (40 credits)
Exploring Culture (20 credits)
Foundations of Social Science (20 credits)
Research Design (20 credits)

You'll need to earn 120 credits from all module options.

For full details of term dates, please visit the relevant course page at: intostudy.com/queens/courses

* Prices shown are for our standalone university preparation courses only. Prices for Year 1 of our courses, which combine a pathway with a degree programme under a single CAS, are the same as the standalone prices. Prices for subsequent years are in line with university tuition fees.
** The price will depend on your start date and length of study. Prices shown are only for one term. Vacation weeks in between terms are extra and will be charged at the weekly accommodation price.
† Please note airport pick up is optional and is not included in the total.

Apply online:
apply.intostudy.com

Apply via your local INTO education counsellor.
If you would like us to put you in contact with one of our counsellors please contact us.

Check to see if you're eligible for a scholarship:
